Outline Map

Mexican Cession and the Gadsden Purchase

Directions: *On the map below, locate and label the modern borders of the United States, Mexico, Arizona, California, New Mexico, and Texas. Shade and label the area that Mexico ceded to the United States under the Treaty of Guadalupe Hidalgo. Using a different type of shading, indicate the strip of land called the Gadsden Purchase. Draw a line from each shaded area to a space outside the map, and write a brief explanation of the events that led to the acquisition of these lands by the United States.*
