

Civics and Economics - Voter Interview

This activity is to help you gain an additional perspective on the voting process in our country. You will need to find an adult friend or relative who has voted in a recent election and conduct the following interview:

Person Interviewed: _____

Question #1 – What factors motivated you to vote in this past election?

Question #2 – How do you believe our society is bettered by citizens taking part in the political and electoral process?

Question #3 – Why do you think some people don't vote?

Question #4 – What do you think would improve our voting/election process in this country?
